Work Experience

Project Employee at the *Dutch Social Democrats in the European Parliament*
    As a project employee I created a Google Maps mash-up site intended to highlight local social and infrastructural projects that were funded with European money. In addition, I helped organize a large event in downtown Amsterdam to celebrate the 50th birthday of the European Union.

Research Intern at the *Alfred Mozer Foundation*
    As a research intern I was responsible for developing a study on the political situation in the Palestinian

Territories. In addition, I organized a public debate on the entrance of Bulgaria and Romania to the European Union.

Trainer at *Institute for Politics and the Public*
As a trainer I introduced high school kids to the workings of their local city government through a simulation game of their city legislature.
