### Academic Appointments

|                |                                                                                        |
|----------------|----------------------------------------------------------------------------------------|
| 2022 – present | Assistant Professor (UD1) European Politics & Society, University of Groningen         |
| 2019 – 2022    | Assistant Professor, School of Politics and IR, University College Dublin              |
| 2015 – 2018    | Postdoctoral Researcher, Department of Political Science, Vrije Universiteit Amsterdam |
| 2014 – 2015    | Max Weber Fellow, European University Institute                                        |
| 2013 – 2014    | Associate Research Fellow, Department of Politics, University of Exeter                |

### Academic Affiliations

|                |                                                           |
|----------------|-----------------------------------------------------------|
| 2022 – present | Instructor, Essex Summer School                           |
| 2022 – present | Visiting Assistant Professor, University College Dublin   |
| 2018 – 2020    | Visiting Assistant Professor, Central European University |
| Fall 2018      | Visiting Researcher, Universiteit van Amsterdam           |
| Summer 2018    | Visiting Researcher, Central European University          |

### Education

|                   |                                                 |
|-------------------|-------------------------------------------------|
| 09/2007 – 05/2013 | Ph.D. Stony Brook University, Political Science |
| 09/2005 – 08/2007 | MA University of Amsterdam, Political Science   |
| 09/2000 – 08/2005 | MSc University of Groningen, Social Psychology  |

### Journal Articles

- Rosalie van Beuningen, Martijn Schoonvelde & Pieter de Wilde. (2026). Responding or responsiveness? How politicisation influences the European Commission's policy formulation. Forthcoming at *Journal of European Public Policy*.
- Clint Claessen, Denise Traber & Martijn Schoonvelde. (2026). Moderation or Amplification? Mapping speech distinctiveness among Green parties using a fictitious prediction problem approach. Forthcoming at *Legislative Studies Quarterly*.
- Fabienne Lind, Martijn Schoonvelde, Christian Baden, Alona Dolinsky, Christian Pipal & Mariken van der Velden. (2025). Grounding the comparative turn in communications: A framework for validating multilingual computational text analysis. *Computational Communication Research*, 7(1): pp. 1–26.
- James P. Cross, Derek Greene, Stefan Müller & Martijn Schoonvelde. (2025). Mapping digital campaign strategies: How political candidates use social media to communicate constituency connection and policy stance. *Computational Communication Research*, 7(1): pp. 1–32.

- Jennifer Jerit, Jason Barabas, William Pollock, Susan Banducci, Daniel Stevens & Martijn Schoonvelde. (2016). Manipulated vs. Measured: Investigating the Performance of Self-Reported Media Exposure with an Experimental Benchmark. *Communication Methods and Measures*, 10(2–3): 99–114.
- William Pollock, Jason Barabas, Jennifer Jerit, Martijn Schoonvelde, Susan Banducci & Daniel Stevens. (2015). Studying Media Events in the European Social Surveys Across Research Designs, Countries, Time, Issues, and Outcomes. (2015). *European Political Science*, 14(4): 394–421.
- Martijn Schoonvelde. (2014). Media Freedom and the Institutional Underpinnings of Political Knowledge. *Political Science Research & Methods*, 2(2): 163–178.

## Special Issues

Mariken van der Velden, Martijn Schoonvelde & Christian Baden (Guest Editors) (2023). Multilingual Text Analysis. *Computational Communication Research*

## Book Chapters & Conference Proceedings

Stefan Couperus & Martijn Schoonvelde. (2026). Golden Age Politics: A Computational-Interpretive Analysis of the “Gouden Eeuw” as a Trope in Dutch Parliamentary Speech, 1945-2024. In *Revived Futures: The Turn to the Past in European Politics* (eds. Katarina Pettersson, Kalle Eriksson and Manuel Menke).

Martijn Schoonvelde, Christian Pipal & Gijs Schumacher. (2022). Text as Data in Political Psychology. In: *Atlas of Language Analysis in Psychology* (eds: Ryan Boyd and Morteza Deghani).

Gijs Schumacher, Martijn Schoonvelde, Denise Traber, Tanushree Dahiya & Erik de Vries. (2016). EU-Speech: a New Dataset of EU Elite Speeches. *Proceedings of the International Conference on the Advances in Computational Analysis of Political Text*, Dubrovnik, 75–80 .

## Work in progress

- 2026 *Magic Words or Methodical Work? Challenging Conventional Wisdom in LLM-Based Political Text Annotation* (with Lorcan McLaren, James P. Cross, Zuzanna Krakowska, Robin Rauner)
- 2026 *Challenges for multilingual computational text analysis researchers: evidence from a survey of social scientists* (with Fabienne Lind, Christian Baden, Alona Dolinsky, Christian Pipal, Avital Zalik, Guy Shababo, & Mariken van der Velden)
- 2026 *Speaking of experts: Attitudinal evidence on the politics of expertise from a cross-national deliberative exercise* (with Piero Tortola)
- 2024 *Set in Stone: Exploring the role of concreteness in committee deliberations in the Council of Ministers of the European Union* (with James P. Cross)

## Grants, Awards & Fellowships

|             |                                                                                         |
|-------------|-----------------------------------------------------------------------------------------|
| 2023 – 2025 | Horizon 2020 grant for REGROUP (contributor to a work package, €12,500)                 |
| 2020 – 2023 | Horizon 2020 grant for OPTED (co-PI on a work package, €160,625)                        |
| 2021        | ICA Computational Methods Best Paper Award                                              |
| 2018        | SICSS Research Grant (€2,500)                                                           |
| 2017        | ACCESS Europe Research Fellowship (fellowship for hiring a research assistant) (€5,000) |
| 2016        | ACCESS Europe Research Fellowship (fellowship for hiring a research assistant) (€5,000) |
| 2014 – 2015 | Max Weber Fellowship, European University Institute (€24,000)                           |
| 2007 – 2013 | Graduate Assistantship, Stony Brook University (€12,500 p/a)                            |
| 2007 – 2011 | Presidential Fellowship, Stony Brook University (€3,500 p/a)                            |
| 2007 – 2009 | VSBFonds Fellowship (€6,000 p/a)                                                        |
| 2007 – 2020 | Various smaller internal travel and research grants at Stony Brook, EUI, VU, and UCD    |

## Datasets

- 2024 *Data on Software Tools in Computational Text Analysis Research*, <https://osf.io/fg6wq/> (with Marvin Stecker, Christian Baden, Paul Balluff, Christian Pipal, Fabienne Lind, Celina Dinholp, Mariken van der Velden, Annie Waldherr & Hajo Boomgaarden)
- 2020 *EUSpeech V2.0*, <https://osf.io/preprints/socarxiv/a4uyw/> (with Gijs Schumacher, Nicolai Berk, Christian Pipal, Jaroslaw Kantorowicz, Denise Traber and Erik de Vries)
- 2016 *EUSpeech*, <https://dataverse.harvard.edu/dataverse/euspeech> (with Gijs Schumacher, Tanushree Dahiya and Erik de Vries)

## Conference Participation

|      |                               |
|------|-------------------------------|
| 2026 | COMPTEXT, ECPR Joint Sessions |
| 2024 | COMPTEXT                      |
| 2023 | COMPTEXT                      |
| 2022 | COMPTEXT, EPSA, PSAI, ODISSEI |
| 2021 | EPSA, PSAI                    |
| 2019 | EPSA, IC2S2, ISPP, PSAI       |
| 2018 | EPSA, MPSA                    |
| 2017 | EPSA, MPSA, PolEtmaal         |
| 2016 | EPSA, MPSA                    |
| 2015 | APSA, EPSA, MPSA              |
| 2014 | EPSA, MPSA                    |
| 2013 | ECPR, EPOP, EPSA, MPSA        |
| 2011 | EPSA, MPSA, PolEtmaal         |

## Special Conferences, Colloquia, and Invited Presentations

|      |                                                                                                                             |
|------|-----------------------------------------------------------------------------------------------------------------------------|
| 2025 | NHL Stenden, Leeuwarden                                                                                                     |
| 2024 | RadiUnce project, Universiteit Utrecht                                                                                      |
| 2024 | Workshop 'Digital Democracy: Bridging Theory and Practice', Erasmus University Rotterdam                                    |
| 2024 | Workshop 'Harnessing Large Language Models in Political Science Research', Trinity College Dublin                           |
| 2022 | Workshop 'Methodological Challenges of Studying Peace and Conflict Processes in the age of Social Media', Leiden University |
| 2022 | University of Limerick, Limerick                                                                                            |
| 2021 | Rijksuniversiteit Groningen                                                                                                 |
| 2021 | Alan Turing Institute, London (Online)                                                                                      |
| 2021 | Trinity College Dublin (Online)                                                                                             |
| 2020 | IMG-DUB, Dublin (Online)                                                                                                    |
| 2020 | Workshop 'Party Competition in the Electoral Cycle', Berlin (Online)                                                        |
| 2019 | SICSS, University of Bamberg                                                                                                |
| 2019 | QTA-DUB, Dublin                                                                                                             |
| 2018 | University College Dublin, Dublin                                                                                           |
| 2018 | Waseda University, Tokio                                                                                                    |
| 2018 | Central European University, Budapest                                                                                       |
| 2017 | ACCESS Europe 'Transformation or Collapse' Conference, Amsterdam                                                            |
| 2017 | ACCESS Europe 'Solidarity and European integration' Conference, Amsterdam                                                   |
| 2017 | University of Little Rock, Arkansas                                                                                         |
| 2016 | Dutch Political Psychology Meeting, The Hague                                                                               |
| 2016 | PolText, Advances in Computational Analysis of Political Text, Dubrovnik                                                    |
| 2016 | Amsterdam Automated Text Analysis Lecture Series, VU / UvA                                                                  |
| 2015 | POLSENT Media and Politics Workshop, Dublin City University                                                                 |
| 2015 | Agent-Based Modeling Workshop, European University Institute                                                                |
| 2014 | Political Behaviour Colloquium, European University Institute                                                               |
| 2013 | CeMAP Colloquium, University of Exeter                                                                                      |

## Teaching Experience

### *University of Groningen*

- Coordinator 'Advanced European Studies' (BA level, Fall 2025)
- Coordinator 'Analysing Politics and Policy' (BA level, Fall 2024)
- Coordinator 'Applied Research Methods' (BA level, Fall 2023–2025)

Coordinator ‘Themes in European Politics’ (BA level, Spring 2023–2024)  
Coordinator ‘The European Union in the Media’ (MA level, Spring 2022–2025)  
Coordinator research seminar ‘Crisis Communication in the European Union’ (BA level, Spring 2022–2026)

*Essex Summer School*

Introduction to Quantitative Text Analysis (Summer 2022–2026)

*University College Dublin*

Social Science Methodology (PhD level, Spring 2019–2020)  
Research Design (MA / Msc level, Spring 2019, Fall 2019–2021)  
Automated Text Analysis (MA / Msc level, Fall 2019, Spring 2021)  
Media and Politics (BA level, Spring 2020, Fall 2020, Fall 2021)  
Comparative Politics (BA level, Spring 2019–2021)

*Central European University*

Automated Text Analysis (MA Level) (Spring 2018–2020).

*Vrije Universiteit*

Comparative Politics and Policy (MA Level) (Spring 2018)  
Comparative Political Research (Fall 2015, Fall 2016)

*Stony Brook University*

Intermediate Statistics for Public Policy (MA level, Fall 2011, Spring 2012)  
Statistics for Public Policy (MA level, Spring 2011)  
EU Politics (BA level, Spring 2013)  
Comparative Politics (BA level, Summer 2011 & 2012, Fall 2012)  
International Relations (BA level, Spring 2010, Fall 2010)

**Supervision & Examination**

|             |                                                                               |
|-------------|-------------------------------------------------------------------------------|
| 2025–       | PhD co-supervisor Eva Chavand, RuG                                            |
| 2021–       | PhD co-supervisor of Volodymyr Samsonov, University of Hamburg                |
| 2021 – 2023 | Postdoctoral supervisor of dr. Alona Dolinsky                                 |
| 2017–       | Primary thesis supervisor of multiple MA, MSc, and BA students (RuG, UCD, VU) |
| 2021        | Internal examiner PhD viva Letícia Barbabela (UCD)                            |
| 2020        | Internal examiner PhD viva Luke Field (UCD)                                   |
| 2017        | Co-supervisor of Max Boiten (ACCESS Europe research fellowship)               |
| 2016        | Co-supervisor of Erik de Vries (ACCESS Europe research fellowship)            |

**University & Departmental Service**

|             |                                                             |
|-------------|-------------------------------------------------------------|
| 2025 – 2026 | Young Arts Leadership Program, Faculty of Arts, RUG         |
| 2023 – 2026 | Member Exam Board, Cluster 2, Faculty of Arts, RuG          |
| 2023 – 2024 | Member of ChatGPT Working Group, Faculty of Arts, RUG,      |
| 2022 – 2024 | Co-Convenor, REPS seminar series, Faculty of Arts, RuG,     |
| 2020 – 2021 | Programme Director MSc Politics and Data Science, SPIRe UCD |
| 2019 – 2020 | Convenor, SPIRe seminar series, SPIRe, UCD                  |

|             |                                                      |
